The last "Daniel" remaining wins, or you can play for a set amount of time and see how many "Daniels" remain. * **Variations:** Add a rule where "Daniels" can be freed if another "Daniel" completes a simple task, like singing a short praise song or doing a quick prayer mime. * **Keywords:** Bible tag game, Daniel game for kids, faith tag, Christian outdoor games, Sunday school games, group Bible activities.

Maintaining a catalog or index can further enhance organization. A simple spreadsheet or document listing titles, editions, publication dates, and storage locations provides an overview of the entire collection. This approach is particularly useful for large libraries or collaborative environments where multiple users access shared resources.
