Getting to Brighton Beach by Public Transport: The Smart and Easy Way

For many, public transport is the champion of getting around Melbourne. It's convenient, often less stressful than navigating traffic, and allows you to soak in the city's vibe without worrying about parking woes. Brighton Beach is well-served by Melbourne's extensive public transport network, primarily through its train and tram systems.

By Train: The Most Direct Route

The train is arguably the most popular and efficient way to reach Brighton Beach. The journey is straightforward and drops you within a stone's throw of the iconic foreshore.

Which Train Line to Catch?

You'll want to catch a train on the Sandringham Line. These trains typically depart from Flinders Street Station, a major transport hub in the heart of Melbourne's CBD. Other key stations on this line include Southern Cross Station and South Yarra Station, so you can hop on from various points depending on your starting location.

Your Destination Station: Brighton Beach Station

The station you need to alight at is ****Brighton Beach Station****. It's a dedicated station serving the beach area, making it incredibly convenient. The train ride itself from Flinders Street is approximately

20-25 minutes, offering glimpses of Melbourne's southern suburbs as you glide along.

What to Expect When You Arrive

Upon disembarking at Brighton Beach Station, you'll find yourself just a short, easy walk (around 5-10 minutes) away from the sand and those famous colourful bathing boxes. Follow the signs for the beach, and you'll be greeted by the sight of the bay and the bustling foreshore. It's a very straightforward walk, making it accessible for most.

Pro-Tip for Train Travel: Myki Card

Remember to have a valid Myki card topped up for your train journey. You can purchase and top up Myki cards at most train stations, 7-Eleven stores, and online. A daily cap applies, so you won't break the bank with multiple journeys.

By Tram: A Scenic, Though Slower, Option

While the train is the fastest, taking a tram can offer a more leisurely and scenic introduction to the Brighton area. It's a great option if you have a little more time and want to enjoy the journey.

The 109 Tram: Your Seaside Companion

The number 109 tram is your ticket to the Brighton foreshore via tram. This tram line runs from Box Hill in Melbourne's east, through the CBD, and all the way to the suburb of Port Melbourne. To get to Brighton Beach, you'll need to ride the 109 tram towards **Port Melbourne**. You will need to alight at the terminus or the stop closest to the beach.

Getting Off for Brighton Beach

The 109 tram terminates at Port Melbourne. From there, it's a bit of a walk (around 20-30 minutes) along the foreshore to reach the Brighton Beach bathing boxes. Alternatively, and this is where it gets a little more involved, you could take the 109 tram to the CBD and then catch a train on the Sandringham Line as described above. However, if you're keen to experience the tram ride, know that the 109 will get you close to the general bay area of Port Melbourne, and you can then enjoy a pleasant walk along the coast. For a direct approach to the bathing boxes, the train is generally preferred.

Consider a Transfer for a More Direct Tram Experience

If you are committed to the tram, you might consider taking the 109 to the CBD and then transferring to another tram that heads further south. However, this often involves multiple transfers and can be more time-consuming than the direct train route. For the dedicated tram enthusiast who wants to experience more of Melbourne's inner-city routes before heading bayside, it can be part of the adventure.

Driving to Brighton Beach: Freedom and Flexibility

For those who prefer the freedom of their own wheels, driving to Brighton Beach offers flexibility and the ability to pack more gear – think picnic baskets, beach umbrellas, and surfboards!

Navigating Your Route

Brighton Beach is located south-east of Melbourne's CBD. The most common driving routes involve heading south along the Nepean Highway (State Route 15). This is a major arterial road that runs along the coast, offering some lovely views as you approach.

Using GPS

The easiest way to navigate is to use a GPS app on your smartphone (like Google Maps or Waze). Simply enter "Brighton Beach" or "Brighton Beach Bathing Boxes" as your destination, and it will guide you efficiently. The drive from the CBD can take anywhere from 25 to 45 minutes, depending on traffic conditions.

Parking at Brighton Beach

Parking is a crucial consideration when driving to any popular beach. Brighton Beach has several parking options, though they can fill up quickly, especially on warm, sunny days and weekends.

Street Parking

There is street parking available along Esplanade and surrounding streets near the beach. Be sure to check parking signs carefully for any time limits, permit requirements, or restrictions. Parking regulations can change, so always be vigilant.

Dedicated Car Parks

You'll find some dedicated car parks, often located off the Esplanade or within close proximity to the bathing boxes. These can be a bit more convenient but might also be subject to fees or time restrictions. Arriving earlier in the day is your best bet for securing a spot in these popular areas.

Consider Nearby Suburbs

If parking directly at Brighton Beach is proving difficult, don't despair! You can often find parking in the residential streets of surrounding suburbs like Brighton East or Middle Brighton and enjoy a slightly longer, pleasant walk to the beach. Just be mindful of local parking restrictions.

Parking Fees

The fastest way from the Melbourne CBD is usually by taking a train from Flinders Street Station to Middle Brighton or Brighton Beach station. The journey takes approximately 25-30 minutes. From there, it's a short walk to the beach.
2	Is there public transport that goes directly to the Brighton Beach bathing boxes?	While trains get you to the Brighton Beach area, they don't go directly to the iconic bathing boxes. After arriving at Middle Brighton or Brighton Beach station, it's a pleasant 10-15 minute walk down to the foreshore where the bathing boxes are located.
3	Can I drive to Brighton Beach? Where's the best place to park?	Yes, driving is an option. There's street parking available along the Esplanade and surrounding streets. However, it can get busy, especially on weekends and during summer. Arriving earlier in the day can help secure a spot.
4	What are the bus routes that serve Brighton Beach?	Several bus routes operate in the Brighton area, including routes like the 216, 219, and 620, which connect to nearby train stations and other suburbs. Check the PTV (Public Transport Victoria) website for the most up-to-date routes and timetables that best suit your starting point.
5	Is Brighton Beach accessible for people with mobility issues?	While the main beach area is generally accessible, some paths might be sandy. The train stations have ramps and lifts, and there are paved walkways along the foreshore. It's advisable to check accessibility information for specific facilities if needed.
6	How long does it take to get to Brighton Beach from the airport (MEL)?	Getting to Brighton Beach from Melbourne Airport (MEL) typically takes around 40-50 minutes by car, depending on traffic. By public transport, it involves taking a SkyBus to the city and then transferring to a train, which will take significantly longer, potentially 1.5 to 2 hours.
7	Is it worth taking a tram to Brighton Beach?	Trams do not run directly to Brighton Beach. The most efficient public transport options are trains to Middle Brighton or Brighton Beach stations, followed by a walk. Trams are great for inner-city Melbourne, but for Brighton, trains are the way to go.
