The Pearson Test of English Academic (PTE Academic) is a computer-based English language proficiency test designed to assess the language skills of non-native English speakers who wish to study or immigrate to English-speaking countries. Developed by Pearson, a global leader in education, the PTE Academic stands out due to its innovative format and its reliance on artificial intelligence (AI) for scoring.

Unlike traditional paper-based exams, the PTE Academic is

delivered entirely on a computer. This means all sections of the test – speaking, writing, reading, and listening – are completed in a single session, typically lasting around two hours. This streamlined approach is often appreciated by test-takers for its efficiency.

Key Features of the PTE Academic

Before we delve into the specifics of each section, let's highlight some of the overarching features that make PTE Academic unique:

1. **Computer-Based Delivery:** As mentioned, the entire test is taken on a computer, including the speaking section.
2. **AI-Powered Scoring:** PTE Academic is scored by advanced AI algorithms. This ensures objective and consistent scoring, free from human bias. The scoring system is designed to mimic the grading standards of native English speakers.
3. **Integrated Skills:** The test assesses integrated English skills, meaning you'll often need to use multiple skills (e.g., read and speak, listen and write) within a single question type. This reflects how language is used in real-world academic and professional settings.
4. **Fast Results:** Because of the AI scoring system, PTE Academic results are typically available within 2 to 5

business days, significantly faster than many other English proficiency tests.

5. **Secure Testing Environment:** Pearson employs robust security measures to ensure the integrity of the test, including palm-vein scanning and other biometric checks.

The PTE Academic Test Structure: A Closer Look at Each Section

The PTE Academic is divided into three main sections, each focusing on specific language skills:

1. Speaking & Writing (Intertwined)

This section is the longest and often considered the most challenging by some test-takers due to its integrated nature. It assesses your ability to communicate effectively both orally and in writing. You'll have 77 to 93 minutes for this section.

Key Question Types in Speaking & Writing:

reproduce spoken English.

3. **Describe Image:** You'll be shown an image (e.g., a graph, chart, or picture) and asked to describe it in your own words. This assesses your descriptive language skills, vocabulary, and ability to organize information.
4. **Re-tell Lecture:** You'll listen to a short lecture and then summarize its main points orally. This tests your listening comprehension, note-taking skills, and your ability to convey information clearly.
5. **Answer Short Question:** You'll be asked a simple question, and you need to provide a brief, one-word or short-phrase answer. This assesses your general knowledge and vocabulary.
6. **Summarize Written Text:** You'll read a passage of text and then write a one-sentence summary. This tests your reading comprehension and your ability to condense information.
7. **Write Essay:** You'll be given a prompt and asked to write a structured essay. This assesses your writing skills, grammar, vocabulary, organization, and coherence.

The scoring in this section is particularly interesting. For example, your speaking score can be influenced by your performance in reading tasks, and vice versa. This highlights the integrated nature of PTE.

examiner (though TOEFL's speaking section is also computer-based).
