The Enduring Magic of Green Gables: Unpacking Who Wrote Anne of Green Gables

For generations, the spirited, red-haired orphan Anne Shirley has captured hearts around the globe. Her vivid imagination, her passionate pronouncements, and her unwavering optimism have made *Anne of Green Gables* a beloved classic. But the question lingers for many: who is the brilliant mind behind this enduring tale? The answer, of course, is the remarkable Lucy Maud Montgomery. Montgomery, often affectionately referred to as L.M.

Montgomery, was a Canadian author whose personal experiences and keen observation of life on Prince Edward Island deeply shaped the world of Avonlea. While **Anne of Green Gables** is undoubtedly her most famous work, it was a novel born from a blend of inspiration, perseverance, and a touch of serendipity. Let's delve into the life and motivations of the woman who brought Anne to life.

Lucy Maud Montgomery: A Life Rooted in Prince Edward Island

Born in Clifton, Prince Edward Island, in 1874, Lucy Maud Montgomery's early life was marked by loss. Her mother died when she was just 21 months old, and she was subsequently raised by her maternal grandparents, Alexander and Lucy Macneill, in the isolated community of Cavendish. This upbringing, while perhaps lacking the boisterous maternal figure that Anne eventually finds in Marilla Cuthbert, instilled in Montgomery a profound appreciation for the natural beauty of her surroundings and the rich tapestry of rural life. Her childhood was filled with imaginative play, a trait she would later imbue in Anne with such vividness. She was a voracious reader and a natural storyteller, often weaving tales for herself and the imaginary companions she created. This early inclination towards narrative would blossom into a lifelong passion. Montgomery received a good education for her time, attending Prince of Wales College in Charlottetown and later taking classes at Dalhousie University in Halifax, Nova Scotia. She worked as a teacher for several years, a period that provided her with ample opportunities to observe children and the dynamics of small-town communities – all fertile ground for her future literary endeavors.

The Genesis of Anne: From a Discarded Idea to a Literary Sensation

The story of how **Anne of Green Gables** came to be is as compelling as Anne's own journey. Interestingly, the initial spark for the novel wasn't a sudden epiphany, but rather an idea that had been simmering for years. Montgomery had originally conceived of a story about an orphaned girl, but the idea had been set aside. The true catalyst for **Anne of Green Gables** emerged in 1904.

Montgomery was sorting through some old papers and stumbled upon a forgotten notebook containing an earlier idea for a story about an elderly, unmarried couple living on Prince Edward Island who wanted to adopt a boy but accidentally received a girl. This accidental adoption scenario, a cornerstone of the novel, resonated with her. She also drew inspiration from her own experiences and observations. The picturesque landscapes of Cavendish, the very "Green Gables" that would become synonymous with the novel, were not entirely fictional. Montgomery lived in a home called "Green Gables" (though it was later renamed "Silver Bush" and then "The Beaches Historic House") and was deeply connected to the scenery she described with such lyrical beauty. The character of Anne herself, with her dramatic flair and passionate heart, likely drew from aspects of Montgomery's own imaginative and emotional nature, as well as from the children she encountered during her teaching years.

A Rejection and a Resilient Spirit: The Path to Publication

Despite her inspiration, the path to publication was not entirely smooth. Montgomery penned the manuscript for **Anne of Green Gables** in 1905. She then sent it to several publishers, but the

responses were not what she had hoped for. One publisher, in fact, rejected it outright. However, Lucy Maud Montgomery was not one to be easily deterred. She believed in her story and in Anne's potential. She eventually found a willing publisher in L.C. Page and Company of Boston, Massachusetts. The novel was published on June 20, 1908. The reception was, to put it mildly, phenomenal.

Anne of Green Gables became an immediate bestseller, captivating readers with its charm, humor, and emotional depth. The novel tapped into a universal longing for belonging, friendship, and the magic of childhood. Its success was so overwhelming that it quickly led to sequels, solidifying Anne's place in literary history.
