The collection commonly referred to as the Apostolic Fathers typically includes several key figures and their influential writings. The Lexham Classics edition is expected to faithfully represent these essential works:

1 Clement: A Plea for Unity

Attributed to Clement of Rome, this epistle is one of the earliest surviving Christian documents outside the New Testament. It was written to the church in Corinth, which was experiencing internal strife and the deposition

of its elders. Clement's eloquent plea for peace, order, and humility draws heavily on Old Testament precedents and the teachings of the apostles. The new translation will undoubtedly bring out the power of his arguments for church governance and reconciliation.

The Epistles of Ignatius: A Martyr's Passion for Christ

Ignatius of Antioch, a bishop martyred in Rome, penned seven powerful letters on his journey to execution. These epistles are characterized by their fervent devotion to Christ, their strong emphasis on unity within the church, and their stark warnings against heresy, particularly Gnosticism. His unique theological language, often expressed through vivid metaphors, will be a significant focus of the new translation. His admonishment to the Ephesians, Magnesians, Trallians, Philadelphians, Smyrneans, Polycarp, and the Romans offers profound insights into early Christian ecclesiology and Christology.

The Shepherd of Hermas: Visions of Moral and Spiritual Guidance

More allegorical and visionary in nature, *The Shepherd* is a collection of revelations given to Hermas, a former slave.
