Start by considering the genre and subject matter. Whether you enjoy fiction, non-fiction, self-improvement, academic material, or technical guides, narrowing down your interests will make it easier to find a suitable book. Reading book descriptions, summaries, and sample chapters can provide valuable insight into the content and writing style.

Author reputation and expertise also play an important role.

Dust your bookshelves regularly and gently clean book covers with a soft, dry cloth. For valuable or collectible editions, consider using protective covers or storing them in archival-quality boxes.
