The Tube: Your Speedy Stratford Westfield Connection

For many, the London Underground, or "the Tube" as it's affectionately known, is the quickest and most efficient way to get around the city. Thankfully, Stratford station, which serves Westfield, is a major interchange, offering direct access from several key lines.

The Jubilee Line: The Direct Route

If you're coming from central London or the West End, the Jubilee Line is your golden ticket. Alight at **Stratford** station, and you'll be virtually on the doorstep of Westfield. The Jubilee Line runs through major hubs like Waterloo, London Bridge, and Westminster, making it incredibly convenient for many visitors. Look for the silver signs indicating the Jubilee Line heading eastbound. The journey from central London typically takes around 10-15 minutes, making it a super-fast option.

The Central Line: Another Great Option

The Central Line is another fantastic option, particularly if you're travelling from the east or west of London. Again, you'll want to alight at **Stratford** station. The Central Line connects Stratford to key locations like Liverpool Street, Oxford Circus, and Notting Hill. Ensure you're on a train heading

eastbound towards Epping, Hainault, or Woodford. This line is a workhorse of the London Underground and offers a reliable way to reach your destination.

The DLR (Docklands Light Railway): Connecting You Seamlessly

While not technically a "Tube" line, the Docklands Light Railway (DLR) is an integral part of the London transport network and is incredibly useful for reaching Stratford. From Stratford International station (which is connected to Stratford main station), you can hop on the DLR. Crucially, the DLR provides direct services to **Stratford** itself, connecting it to areas like Canning Town, Custom House, and London City Airport. This is particularly beneficial if you're arriving from the Docklands area or have just landed at the airport.

National Rail and Overground: Broadening Your Horizons

For those travelling from further afield or from within London but outside the immediate Tube network, National Rail services and the London Overground offer excellent alternatives.

National Rail Services

Stratford is a major National Rail station. Major train operators like Greater Anglia run frequent services to and from Stratford, connecting it to destinations across East Anglia and Essex.
