Focus on Rhetorical Situations

Facilitate Debates and Discussions

The diverse viewpoints within the anthology are perfect for sparking lively classroom debates. Assign readings that present contrasting arguments on a single issue and have students defend different positions.

Use Readings as Models for Student Writing

After analyzing a reading, have students identify specific techniques (e.g., use of evidence, appeals to emotion,

narrative structure) and then attempt to incorporate those techniques into their own essays. This "mimesis" approach is a powerful learning tool.

Connect Readings to Writing Assignments

Design writing assignments that directly respond to the themes or argumentative styles found in the readings. For example, after reading an essay about environmental issues, students could write their own persuasive essay advocating for a specific environmental policy.

Explore LSI Keywords and Related Concepts

When discussing the readings, actively bring in related concepts and keywords. For instance, when examining an argument about social justice, you might discuss keywords like "equity," "advocacy," "systemic issues," and "intersectionality."
