This includes the first month's rent, and the landlord can request an additional month's rent as a security deposit. For leases longer than one year, the deposit cannot exceed one month's rent.
3	What are a tenant's rights regarding repairs and maintenance in Montgomery County?	Tenants have the right to a habitable living environment. If the landlord fails to make necessary repairs after proper written notice, tenants may have options like withholding rent (under specific legal procedures) or using rent to pay for repairs, and then deducting that cost from rent. Always follow legal notice requirements to preserve these rights.
4	Are there specific rules about rent increases for Montgomery County residential leases?	Yes, Montgomery County has rent stabilization laws. For most residential properties, rent increases are capped annually by a formula. Landlords must provide tenants with at least 90 days' written notice of a rent increase, and the increase cannot exceed the allowable percentage for that year.
5	What's the notice period required for ending a month-to-month lease in Montgomery County?	For a month-to-month lease in Montgomery County, both the landlord and tenant must provide 30 days' written notice to terminate the agreement. This notice should be delivered in writing to be legally valid.

6	Can a landlord enter my rental unit in Montgomery County without my permission? What are the rules?	Landlords generally need to provide reasonable advance notice (typically 24 hours) and have a legitimate reason to enter, such as making repairs, showing the property, or in case of emergency. Entry without notice is typically only permitted in true emergencies.
7	What should I do if my landlord isn't returning my security deposit in Montgomery County?	If your landlord fails to return your security deposit within 45 days of the lease termination (and you've provided a forwarding address), you may have legal recourse. The landlord must provide an itemized list of deductions. You can file a claim in Small Claims Court to recover your deposit.
8	Are there any Montgomery County-specific disclosures a landlord must provide in a lease agreement?	Yes, landlords in Montgomery County are required to disclose certain information, including the right to counsel if the tenant faces eviction, information about the property's lead paint status (for buildings built before 1978), and potentially information about pest control services or the availability of tenant's rights resources.
