What Exactly Are the Ask and It Is Given Cards?

At their core, the Ask and It Is Given Cards are a

manifestation and guidance system. They are derived from the core principles presented in Esther and Jerry Hicks' bestselling book, "Ask and It Is Given: Learning to Manifest Your Desires." The book itself is a comprehensive guide to understanding and applying the Law of Attraction, breaking down complex concepts into actionable steps. The cards distill these powerful teachings into bite-sized, intuitive prompts. Each card features a unique message, often accompanied by a beautiful, evocative image. These messages aren't prescriptive in a rigid way; instead, they serve as gentle nudges, reminders, and affirmations that resonate with the vibrational essence of Abraham's teachings. Think of them as direct whispers from your own Higher Self, guided by the universal wisdom of Source Energy. The beauty of these cards lies in their accessibility. You don't need to be a seasoned spiritual practitioner or a Law of Attraction guru to benefit. They are designed to be a companion on your journey of personal growth, empowerment, and joyful creation.

The Core Philosophy: The Law of Attraction and Your Inner Being

To truly appreciate the Ask and It Is Given Cards, it's

essential to understand the philosophy they embody. At the heart of it all is the Law of Attraction. This universal principle states that like attracts like. In simpler terms, the energy you put out into the universe is the energy you attract back to you. This applies to everything – your thoughts, feelings, beliefs, and actions. Abraham, through Esther Hicks, presents this concept not as a passive force, but as an active, co-creative partnership between you and the universe. You are a powerful creator, and your feelings are your guidance system. When you feel good, you're in alignment with your desires and with the flow of the universe. When you feel bad, you're out of alignment. The Ask and It Is Given Cards act as a bridge, helping you identify where you are energetically and guiding you back into alignment. They illuminate the path to feeling better, which is the most direct route to attracting what you truly want. This isn't about "forcing" things to happen; it's about allowing them to unfold naturally as you shift your vibrational state. The cards are also deeply rooted in the concept of your "Inner Being" or "Higher Self." This is the pure, unadulterated essence of who you are, connected to Source Energy. Your Inner Being always knows what's best for you and is always in alignment with your desires. The cards help you tune into this inner voice, overcoming the limitations of your egoic mind and its often-limiting beliefs.

2. ****Draw a Card:**** Close your eyes, focus on your question, and intuitively select a card from the deck.
3. ****Meditate on the Message:**** Read the message on the card. Don't just skim it; really absorb its meaning. How does it make you feel? What thoughts or insights arise? Let the message sink in and guide your day. You can also reflect on the accompanying image and how it resonates with the message.
4. ****Integrate the Wisdom:**** Throughout your day, consciously try to apply the guidance offered by the card. This might involve shifting your perspective, focusing on positive feelings, or taking a specific action.

The Transformative Power of Ask and It Is Given Cards in Personal Growth and Spiritual Practice

For centuries, the simple act of asking with intention has been recognized as a gateway to receiving what is needed. Among the most powerful tools that embody this principle are the “Ask and It Is Given” cards—symbolic instruments designed to deepen mindfulness, amplify purpose, and foster a profound connection between desire and divine or universal response. Rooted in spiritual traditions and embraced by modern self-development communities, these cards serve as both reminders and catalysts for intentional manifestation.

A Timeless Concept Rooted in Intentionality

The essence behind the “Ask and It Is Given” cards lies in the ancient wisdom that true fulfillment arises not from passive hoping, but from deliberate, heartfelt requests.

These cards often feature concise yet potent affirmations or questions that encourage users to articulate their deepest needs or aspirations with clarity and sincerity. By verbalizing a request—whether for guidance, healing, success, or personal transformation—one activates a conscious alignment between inner intention and outer reality. The act of asking, when done with openness and trust, shifts the mindset from scarcity to abundance, creating fertile ground for unexpected blessings to emerge. These cards are not mere motivational tools; they are dynamic instruments that foster a sacred dialogue between the self and the universe. Their design—simple yet evocative—inspires reflection, helping individuals move beyond vague wishes to articulate specific, heart-centered desires. This precision strengthens the psychic and emotional energy behind the request, increasing the likelihood of alignment with a greater flow of support.

Applications Across Lifespaces: From Meditation to Daily Life

The versatility of “Ask and It Is Given” cards makes them applicable in a wide range of contexts, from formal spiritual practices to everyday life challenges. Practitioners often use them during silent reflection, writing or mentally posing a question before

receiving insight or clarity. In coaching and personal development, these cards become part of guided exercises that encourage accountability and inner courage. Beyond spiritual circles, the concept resonates in professional environments and personal goal-setting. Teams may adopt the principle in collaborative spaces, asking collectively for creative solutions or breakthroughs, reinforcing a culture of shared intent. What am I ready to receive?—turning introspection into a ritual of receiving rather than merely striving.

Benefits That Extend Beyond the Moment

Engaging regularly with “Ask and It Is Given” cards cultivates a mindset of gratitude, presence, and trust. By consistently practicing the act of asking, individuals learn to release attachment to specific outcomes while remaining open to guidance. In the realm of personal development and manifestation, the journey towards achieving one's desires often involves seeking guidance and tools to align intention with reality. Among the most popular and accessible resources are the "Ask and It Is Given" cards, a powerful oracle system inspired by the teachings of Esther and Jerry Hicks, channeling the wisdom of Abraham. These cards offer a tangible and interactive way for individuals to tap into the universal principles of the Law of Attraction, providing insights, affirmations, and prompts to foster a more deliberate and joyful creation process. This in-depth analysis will explore the multifaceted nature of the Ask and It Is Given cards, their underlying philosophy, how to effectively use them, and their potential impact on personal growth and manifestation.

Unpacking the "Ask and It Is Given" Philosophy

At the core of the Ask and It Is Given cards lies the profound wisdom of Abraham Hicks, a non-physical entity that Esther Hicks has been channeling for decades. Their teachings revolve around the fundamental principle of the Law of Attraction, which posits that like attracts like. In essence, your dominant thoughts, feelings, and beliefs attract corresponding experiences into your life. The "Ask and It Is Given" system is designed to empower individuals to become conscious creators of their reality

by understanding and applying these Universal Laws.

The Core Tenets of Abraham's Teachings

The Ask and It Is Given cards are a direct manifestation of several key concepts from Abraham's teachings:

1. **The Power of Vibration:** Everything in the universe, including thoughts, emotions, and physical objects, exists as energy vibrating at a specific frequency. To attract what you desire, you must align your vibrational frequency with that of your desires.
2. **Source Energy:** Abraham describes a powerful, loving, and all-knowing Source Energy that is the origin of all things. This Source is always supporting your desires and sending you the energy to manifest them.
3. **The Vortex:** This is a state of vibrational alignment where your desires are already manifested in the energetic realm. The goal is to reach the Vortex and remain there as much as possible.
4. **Emotional Guidance System:** Your feelings serve as an internal compass. Positive emotions indicate you are in alignment with your desires, while negative emotions signal misalignment.
5. **The Process of Allowing:** Once you have asked for what you want and set your intention, the crucial step is to allow it to come into your experience without resistance. This involves releasing doubt, fear, and

limiting beliefs.

Affirmations and Visualization

Many cards in the deck offer powerful affirmations. These can be spoken aloud, written down, or used as part of a meditation practice. Repeating these affirmations helps to reprogram your subconscious mind and shift your vibrational alignment. Common Questions and Considerations

As with any tool for personal growth, users may have questions about the Ask and It Is Given cards. Addressing these can provide further clarity and encourage a more robust practice.

Are the cards predictive?

No, the Ask and It Is Given cards are not fortune-telling devices. They do not predict a fixed future. Instead, they offer guidance on how to shape your future through your present thoughts and emotions, aligning with the principle that you are constantly creating your reality.

What if I don't understand a card's message?

It's common to sometimes feel a disconnect with a particular card. In such cases, trust your intuition. Reflect on the words and imagery. The accompanying booklet offers detailed explanations, but often, the most profound understanding comes from personal contemplation and how the message resonates with your inner knowing. Sometimes, a card's message may become clearer over time or in relation to a specific situation.

Can I ask multiple questions at once?

While it's generally more effective to focus on one specific intention or question per card draw, you can certainly draw multiple cards for different aspects of a larger goal. However, for clarity and focused energy, it's recommended to keep your inquiries as specific as possible.

How do I deal with negative interpretations?

The teachings of Abraham emphasize focusing on what you want, not what you don't want. If a card's message initially feels negative, reframe it. Instead of seeing it as a problem, see it as an opportunity for insight. Ask yourself what this message is trying to show you about your

current vibrational state and how you can shift it towards something more positive.

Conclusion

The Ask and It Is Given cards offer a beautiful, accessible, and profoundly effective method for anyone seeking to deepen their understanding and application of the Law of Attraction.
