Who Was Slim Aarons? The Master of Glamour Photography

It's their world, and I'm just trying to show it." And what a world he showed us!

A Life of Adventure and Observation

Born in the United States, Aarons' career began with war photography, but he soon found his true calling in depicting the affluent and the famous. He eschewed the gritty reality of conflict for the shimmering allure of leisure and influence. His travels took him from the sun-drenched beaches of Acapulco to the snow-capped peaks of Gstaad, always with his trusty Leica in hand. He cultivated relationships with his subjects, becoming a trusted confidant rather than an intrusive paparazzo. This allowed him to capture candid, unguarded moments that revealed the essence of their public personas.

The Art of the 'Candid' Shot

While his images often appear effortless, they were meticulously planned. Aarons understood composition, lighting, and the power of narrative. He'd orchestrate sittings, ensuring the perfect backdrop, the ideal outfit, and the most flattering light. Yet, he achieved a seemingly spontaneous feel that made his subjects relatable, even in their extravagant settings. His focus was always on the beautiful people, in beautiful places, doing beautiful things. This simple yet profound mantra is the bedrock of his enduring appeal.
