| 1              | What's the best order to read the Mitch Rapp series?              | The most common and recommended order to read the Mitch Rapp series is by publication date, starting with 'American Assassin' (though technically a prequel, it introduces the character) and then proceeding through the novels as they were released.                                                    |
| 2              | Should I start with 'American Assassin' or another book?          | While 'American Assassin' is chronologically the earliest story, it was published later. Many fans suggest starting with 'American Assassin' to get Mitch Rapp's origin story before diving into the main timeline, but some prefer the original publication order starting with 'Transfer of Power'.      |
| 3              | Is there a specific chronological order for the Mitch Rapp books? | Yes, there is a chronological order, which starts with 'American Assassin' as his training and first missions.
