This is analogous to a well-coordinated team pulling together towards a common goal, achieving greater success than individual efforts alone. *B. Types of Games and Their Specific Objectives*

Classic Baby Shower Games: Tried, Tested, and True

These are the tried-and-true favorites that have been delighting guests for generations. They're often easy to set up and require minimal explanation, making them perfect for a relaxed atmosphere.

1. The Price Is Right (Baby Edition)

This is a fantastic way to engage guests with the practical side of new parenthood. Gather a selection of common baby items – diapers, wipes, baby lotion, a onesie, a pacifier, baby food jars, etc. – and display them. Provide guests with slips of paper and pens. Ask them to guess the retail price of each item. The guest with the closest total without going over wins the goodies (or a designated prize).

Why it's great: It's interactive, educational, and often leads to humorous discussions about just how expensive baby essentials can be. It's also a fantastic way for guests to share their own experiences and tips.

2. Baby Bingo

Prepare bingo cards with squares filled with common baby shower gifts (e.g., "diapers,"

"onesie," "stroller," "baby book," "bottles"). As the expectant parent opens gifts, guests mark off the items on their cards. The first person to get a bingo wins!

Why it's great: It keeps guests engaged throughout the gift-opening process, turning what can sometimes be a passive activity into an exciting game. You can even create custom bingo cards with specific items you know will be gifted.

3. Guess the Baby Food

This game is always good for a laugh! Purchase several jars of different baby food flavors (remove the labels or cover them). Number each jar. Guests taste a small spoonful of each and try to guess the flavor. The person with the most correct guesses wins.

Why it's great: It's hilarious to watch grown adults try to identify pureed peas or sweet potatoes. It's a sensory game that encourages a lot of giggles and perhaps some funny facial expressions.

4. Don't Say "Baby"

A simple yet surprisingly effective game! As guests arrive, give each person a clothespin or a necklace with a "Baby" sign. The rule is simple: no one is allowed to say the word "baby." If someone hears another guest say it, they can steal their clothespin/necklace. The person with the most clothespins at the end of the shower wins.

Why it's great: It encourages subtle observation and a bit of playful trickery. It's a game that subtly reminds everyone of the occasion without being overtly competitive.

5. Measure the Belly

Provide guests with a roll of ribbon or yarn and scissors. Each guest cuts a piece they think will fit perfectly around the expectant parent's baby bump. The person whose ribbon is the closest measurement wins a prize.

Why it's great: It's a visual and hands-on game that gets everyone involved. It's also a sweet way to acknowledge and celebrate the growing belly.

Modern & Creative Baby Shower Games

Looking to add a fresh, contemporary spin to your baby shower? These games are a little more unique and often incorporate personalized touches or digital elements.

1. Baby Mad Libs

Create your own Mad Libs story about the baby's arrival, parenthood, or even a funny anecdote about the expectant parents. Ask guests to provide words of specific types (noun, verb, adjective, etc.) without seeing the story. Then, read the hilarious, fill-in-the-blank story aloud.

Why it's great: It's a fantastic icebreaker, incredibly customizable, and always results in uproarious laughter. You can tailor the story to the couple's personality.

2. "Who Knows Mommy/Daddy Best?" Quiz

Prepare a list of questions about the expectant parents, their pregnancy journey, their childhoods, or their preferences for baby names. Guests answer the questions, and the person with the most correct answers wins. You can also have the parents-to-be fill out the answers beforehand for a fun comparison.

Why it's great: It's a wonderful way to learn more about the parents-to-be and celebrate their unique personalities and stories. It's also a great conversation starter.

3. Diaper Messages

This is a heartfelt and practical game that doubles as a gift. Provide a stack of clean diapers and permanent markers. Ask guests to write sweet messages, funny notes, or words of encouragement on the diapers for the parents to find during those late-night diaper changes.

Why it's great: It's a gift that keeps on giving! It provides comfort and laughter when the parents need it most, and it's a very personal touch.

4. Baby Shower Charades or Pictionary

Adapt classic charades or Pictionary with baby-related themes. Write down words or phrases like "diaper change," "baby bottle," "rocking chair," "crib," "lullaby," or even famous children's book titles. Guests act out or draw the prompts for their team to guess.

Why it's great: It gets people moving and encourages teamwork and creative interpretation. It's visually entertaining and full of energy.

5. Baby Animal Name Match

Create a list of baby animals and their corresponding adult animal names (e.g., foal - horse, cub - bear, calf - cow). Guests race to match them correctly. This is a simple yet engaging quiz that tests general knowledge.

Why it's great: It's a quick, low-pressure game that everyone can participate in. It's also a sweet reminder of the new life being welcomed.

Virtual Baby Shower Games

Hosting a baby shower from afar? No problem! Technology allows us to connect and celebrate just as joyfully. Here are some virtual game ideas:

1. Virtual Baby Bingo

Similar to in-person bingo, but with a digital twist. You can use online bingo card generators or

create your own and email them to guests. Call out numbers or gift items via video call.

2. Online "Guess the Baby" Photo Game

Ask guests to send in a baby photo of themselves beforehand. Compile these photos into a slideshow or collage. During the virtual shower, share the screen and have guests guess who is who. Award points for correct guesses.

3. Virtual "Who Knows Mommy/Daddy Best?" Quiz

Use online quiz platforms like Kahoot! or Google Forms to create and administer your quiz. Guests can play along in real-time on their devices.

4. Digital Mad Libs

Create your Mad Libs online using a shared document or a dedicated Mad Libs generator. Guests can fill in their words in the shared document, and you can read the final hilarious story aloud.

5. Baby Shower "Two Truths and a Lie"

Each guest shares three "facts" about their experience with babies, their own children, or their parenting advice. Two of these facts must be true, and one must be a lie. The other guests guess which statement is the lie.

Why it's great for virtual showers: These games are designed to work seamlessly over video conferencing platforms, keeping everyone engaged and connected despite the distance.

Tips for Choosing and Hosting Baby Shower Games

Selecting the right games is only half the battle. How you host them can make all the difference:

1. **Consider Your Audience:** Who are the guests? Are they mostly close friends, family, colleagues, or a mix? Tailor games to their personalities and comfort levels.
2. **Keep It Optional:** While games are fun, don't force participation. Some guests may prefer to observe or chat. Ensure there's a relaxed atmosphere.
3. **Have Prizes:** Small, thoughtful prizes can add an extra layer of excitement. Think small gift cards, a nice candle, or a gourmet chocolate bar.
4. **Provide Materials:** Make sure you have enough pens, paper, scissors, ribbons, or any other supplies needed for each game.
5. **Explain Clearly:** Briefly and clearly explain the rules of each game before you start. Keep it simple to avoid confusion.
6. **Don't Overdo It:** A baby shower isn't a game show. Choose 2-4 games that flow well with the rest of the event (like gift opening and food).
7. **Involve the Parents-to-Be:** Let them choose some of their favorite games or incorporate their preferences into the game design.

8. **Delegate:** If you have a co-host or helpful friends, delegate some of the game-leading responsibilities.
9. **Embrace Imperfection:** Sometimes the funniest moments happen when things don't go exactly as planned. Roll with it and enjoy the laughter!

Beyond the Games: Creating a Memorable Baby Shower

While games are a fantastic addition, remember that the core of a baby shower is celebrating the upcoming arrival and the expectant parents. Ensure there's plenty of time for:

1. **Meaningful Conversation:** Allow guests to connect and share their well wishes.
2. **Delicious Food and Drinks:** Keep everyone fueled and happy.
3. **Beautiful Decorations:** Set a festive and welcoming atmosphere.
4. **Heartfelt Toasts:** A short, sweet toast can be very touching.
5. **Gift Opening:** This is a key part of the tradition, so allow ample time.

The Role of Party Games in Enhancing Baby Shower Celebrations

At the heart of any memorable baby shower lies the intention to honor both the soon-to-be mother and the support network surrounding her. Party games serve as more than just entertainment—they act as bridges that bring guests together, encouraging interaction and shared joy. Well-chosen games create a relaxed environment where laughter flows freely and stories unfold naturally. They transform passive attendance into active participation, allowing everyone, from the youngest relatives to the most seasoned family members, to engage meaningfully. This inclusive approach strengthens bonds and ensures that the celebration feels personal and heartfelt, reflecting the unique bond between the mom-to-be and her loved ones.

Key Types of Party Games That Delight Baby Shower Guests

Selecting games that balance fun with sensitivity is essential when planning a baby shower. Timeless favorites like “Guess the Baby Photo” invite guests to share memories and speculate about the baby’s personality, sparking warm conversation and nostalgia. “Name That Baby Moment” offers a playful twist by prompting attendees to describe the baby’s traits or future

milestones, blending engagement with storytelling. Another popular choice is “Baby Shower Bingo,” where custom cards feature meaningful moments, parenting tips, or inside jokes, making each round feel personal and intimate. These games encourage laughter while honoring the emotional significance of the occasion, ensuring no one feels left out.

Strategic Applications and Benefits of Thoughtfully Chosen Games

Beyond immediate entertainment, well-designed party games deliver deeper benefits that enhance the overall baby shower experience. They serve as conversation starters, helping guests connect through shared experiences and collective anticipation. By integrating themes tied to motherhood—such as parenting, family, or nurturing—the games subtly reinforce the celebration’s core message. Additionally, interactive activities reduce passive observation, transforming guests from bystanders into active contributors. This heightened involvement fosters deeper emotional engagement, making the event more memorable and personally meaningful. Moreover, games tailored to the guest list—whether including cultural traditions or inside jokes—show genuine care, elevating the host’s effort and strengthening community spirit.

Future Trends in Baby Shower Party Game Design

As celebration styles evolve, so too do the games that accompany them. A growing trend is the integration of digital elements, such as interactive apps that enable virtual bingo or live photo-sharing games synced with guest contributions. These tools blend tradition with innovation, appealing to tech-savvy guests while maintaining the warmth of in-person interaction. Another emerging focus is inclusivity—designing games that accommodate diverse family structures and cultural backgrounds, ensuring every attendee feels represented and valued. Sustainability is also shaping the future, with hosts opting for reusable materials and eco-friendly formats. Looking ahead, baby shower games will continue to balance humor, connection, and accessibility, reinforcing their role as vital threads in the fabric of meaningful celebration. Whether you're hosting a virtual shower, a co-ed gathering, or a traditional intimate affair, there's a game out there to suit every style and personality. Let's explore how to make your baby shower a hit with these engaging activities.

Why Play Games at a Baby Shower?

The rationale behind incorporating games into a baby shower extends beyond mere entertainment. They serve several crucial functions:

Breaking the Ice and Fostering Connection

For guests who may not know each other well, games provide a natural and lighthearted way to interact. They offer common ground for conversation and help create a more relaxed and communal atmosphere. Especially in larger gatherings, these activities can bridge gaps and ensure everyone feels included.

Celebrating the Parents-to-Be

Many games are designed to focus on the expectant parents, allowing guests to share their well wishes, offer advice, and express their excitement. This personalized touch makes the celebration feel truly special and acknowledges the unique journey they are embarking on.

Creating Laughter and Fun Memories

At its core, a baby shower is a joyous occasion. Games inject energy and humor into the event, leading to shared laughter and memorable moments that guests will recall long after the last diaper is changed. These lighthearted experiences contribute significantly to the overall positive vibe of the shower.

Engaging Guests of All Ages

With careful selection, baby shower games can be enjoyed by everyone, from close family members to the parents' friends, and even children who might be present. This inclusivity ensures that all attendees can participate and feel part of the celebration.

Top Categories of Baby Shower Games

To help you navigate the vast landscape of baby shower games, let's categorize them by their general style and purpose. This will make it easier to choose activities that align with the shower's theme and the personalities of the parents-to-be.

Icebreaker Games

These games are designed to get guests talking and mingling right from the start. They are perfect for showers where many attendees might not know each other.

Two Truths and a Lie (Baby Edition)

Each guest writes down two true statements about their experience with babies or their relationship with the parents-to-be, and one believable lie. Guests then take turns reading their statements aloud, and others try to guess the lie. This is a fantastic way to learn fun facts about the guests and the parents.

Baby Bingo

Create bingo cards with common baby-related items, phrases, or advice. As the parents-to-be open gifts, guests mark off items on their cards. The first to get bingo wins a prize. This keeps guests engaged throughout the gift-opening process.

Guest Predictions & Advice Cards

Provide cards where guests can write down predictions about the baby (e.g., birth date, weight, gender if not revealed) and offer their best parenting advice. These can be collected and read aloud later, or kept as a treasured keepsake for the parents.

Guessing Games

These games tap into guests' intuition and knowledge, often leading to humorous outcomes.

Guess the Baby Food

Purchase several jars of different baby food flavors. Remove the labels and number the jars. Guests taste each one and write down their guess for the flavor. The person with the most correct guesses wins. Warning: some flavors can be surprisingly challenging (and entertaining) to identify!

What's in the Diaper?

Melt different types of chocolate bars into diapers. Guests then sniff each diaper and try to guess which chocolate bar is in it. This is a classic for a reason – it's messy, funny, and definitely memorable.

Guess the Celebrity Baby Name

Compile a list of famous babies and their parents. Guests have to match the baby to their celebrity parents. This is a great option for co-ed showers or when the guests have a shared interest in pop culture.

Creative and Crafty Games

For showers that lean towards a more relaxed and hands-on vibe, these games encourage creativity and contribution.

Decorate a Onesie Station

Set up a station with plain white onesies in various sizes, fabric markers, stencils, and iron-on transfers. Guests can create unique, personalized onesies for the baby. This provides a tangible gift for the parents and allows guests to express their artistic flair.

Baby Block Decorating

Similar to the onesie station, provide plain wooden blocks and art supplies. Guests can decorate them with letters, numbers, or sweet drawings. These become a charming decorative and developmental toy for the baby.

Baby's First Library

Ask each guest to bring a children's book instead of a card. During the shower, guests can write a personal message inside the cover of the book they brought. This helps build the baby's first library with meaningful inscriptions.

Active and Hilarious Games

These games bring energy and laughter, perfect for a lively crowd.

The Price is Right (Baby Edition)

Gather a selection of common baby items (diapers, wipes, baby wash, formula, pacifiers, etc.). Guests guess the total cost of all the items. The closest guess without going over wins. This is a practical game that can be quite eye-opening for expecting parents!

Baby Bottle Chugging Contest

Fill baby bottles with a beverage (water, juice, or even non-alcoholic cider). Guests race to see who can empty their bottle the fastest. This is a fun, quick, and often hilarious game, especially when done with adults.

Don't Say "Baby"

As guests arrive, give each person a clothespin or a small decorative item. Instruct them not to say the word "baby." If someone hears another guest say "baby," they can take their clothespin. The person with the most clothespins at the end wins. This game is a subtle way to encourage communication and awareness throughout the shower.

Tips for Successful Baby Shower Games

Simply choosing the games isn't enough; execution is key to ensuring they are a hit.

Know Your Audience

Consider the personalities of the parents-to-be and the guests. Are they a reserved group, or do they love to be silly? Tailor your game selection to their comfort levels and preferences. A boisterous group might enjoy the bottle chugging, while a quieter crowd might prefer prediction cards.

Don't Overdo It

While games are fun, too many can make the shower feel rushed or like an obligation. Aim for 3-5 well-chosen games that fit the timeline and flow of the event. Balance game time with time for mingling, eating, and opening gifts.

Prepare in Advance

Gather all necessary supplies for each game well before the shower. Print out any game sheets, prepare prizes, and organize materials. The host should be prepared to explain the rules clearly and concisely.

Keep it Light and Fun

The primary goal is to celebrate. Avoid games that could be embarrassing or put anyone on the spot. Focus on activities that encourage positive interaction and shared joy.

Offer Prizes

Small, thoughtful prizes can add an extra layer of excitement. Consider items like gift cards, nice stationery, scented candles, or small bottles of wine (for guests who can enjoy them!).

Involve the Parents-to-Be

While some games are about them, let the parents-to-be participate as much or as little as they are comfortable with. Some parents love to be the center of attention and join in the fun, while others might prefer a more relaxed role.

Virtual Baby Shower Games

The rise of virtual gatherings has also led to creative adaptations of traditional baby shower games.

Virtual Baby Bingo

Similar to the in-person version, but guests play on their screens. Use online bingo card generators.

Online Charades or Pictionary (Baby Themed)

Utilize breakout rooms or shared screens for these classic games, with prompts related to babies, pregnancy, and parenting.

Guess the Baby Picture

Ask guests to submit a baby photo of themselves beforehand. During the shower, display the photos and have guests guess who is who.

"Who Knows Mommy/Daddy Best?" Quiz

Create a quiz about the expecting parents' preferences, habits, and funny stories. Guests can answer via chat or a poll.

Conclusion: Games as the Heartbeat of the Shower

Baby shower party games are more than just fillers; they are the heartbeat that energizes the celebration. They are the threads that weave guests together, the sparks that ignite laughter, and the anchors that secure cherished memories. By thoughtfully selecting and expertly executing a few well-chosen games, you can transform a simple gathering into an unforgettable experience for the parents-to-be and everyone involved. So, embrace the fun, encourage participation, and get ready to shower the expectant parents with joy, laughter, and love!

Learning today looks very different from what it did just a few years ago. Information no longer sits quietly on shelves waiting to be discovered. It moves, adapts, and responds to the needs of modern readers. In this changing landscape, the option to download **Party Games For A Baby Shower** has become an integral part of how people engage with knowledge, whether for study, work, or personal enrichment.

It allows readers to transition seamlessly from interest to understanding, reinforcing a learning process that feels natural and responsive.

This immediacy encourages consistency. When access is easy, learning becomes habitual rather than occasional. Readers are more likely to return to material, explore new sections, or revisit previous ideas. Over time, this repeated engagement builds deeper familiarity and stronger comprehension. Digital access supports learning as an ongoing activity rather than a

one-time effort.

Modern lifestyles also play a role in the popularity of digital books. People balance work, family, travel, and personal responsibilities, leaving limited uninterrupted time for reading. Digital formats adapt to these realities. With **Party Games For A Baby Shower** available on a personal device, learning fits into small moments throughout the day—during commutes, short breaks, or quiet evenings.

Portability reinforces this flexibility. Instead of choosing which books to carry, readers can store entire libraries digitally. This freedom encourages exploration across subjects and disciplines. A reader might begin with one topic and quickly branch into related areas, guided by curiosity rather than physical constraints.

The PDF format offers particular advantages for readers who value clarity and structure. Unlike formats that shift layouts depending on screen size, PDFs maintain consistent formatting. Images, charts, tables, and page structure remain intact. For academic, technical, or instructional content, this reliability ensures that information is presented clearly and accurately.

Beyond visual consistency, digital reading tools enhance engagement. Features such as keyword search, highlighting, annotations, and bookmarks allow readers to interact directly with the text. Instead of simply reading, users engage in dialogue with the material—marking important ideas, adding reflections, and organizing content according to their needs.

Search functionality transforms how information is used. Locating specific terms or concepts within **Party Games For A Baby Shower** takes seconds, making digital books practical reference tools. This efficiency benefits students preparing assignments, professionals seeking quick clarification, and researchers navigating complex topics.

Reputable platforms support this accessibility while maintaining ethical standards. Project Gutenberg and Open Library provide legal access to thousands of books. The Internet Archive preserves cultural and academic materials for global use. Academic platforms such as Academia.edu offer research papers that complement digital books. Together, these resources form a reliable ecosystem for responsible knowledge sharing.

Choosing legitimate sources matters. Ethical downloading respects intellectual property and supports the sustainability of educational content. It also protects users from unreliable files, misinformation, and cybersecurity threats. Accessing **Party Games For A Baby Shower** through trusted platforms ensures confidence in both quality and safety.

Digital books play an important role in professional development. Many careers require continuous learning as industries evolve. Having **Party Games For A Baby Shower** available digitally allows professionals to update skills, explore new methodologies, and stay informed without disrupting daily routines.

Students also benefit from digital access in meaningful ways. Academic success often depends on the ability to review material repeatedly and study efficiently. Downloadable PDFs allow offline access, easy note-taking, and organized revision. Digital books reduce physical strain and support more comfortable study habits.

Digital formats also accommodate different learning preferences. Some readers prefer linear reading, while others focus on specific sections or themes. Digital access allows both approaches. Readers can skim, search, annotate, or read deeply depending on their objectives, making **Party Games For A Baby Shower** adaptable rather than restrictive.

Accessibility features further expand the reach of digital books. Adjustable text size, text-to-speech options, screen reader compatibility, and night modes help ensure that content is usable by readers with diverse needs. These features promote inclusive access to knowledge and align with modern educational values.

Environmental considerations add another dimension to digital learning. While technology has its own environmental impact, distributing books digitally often reduces the need for paper, printing, and transportation. Downloading **Party Games For A Baby Shower** supports a more efficient approach to sharing information on a global scale.

Organization is another understated benefit. Digital files can be categorized, tagged, backed up, and retrieved instantly. Readers can maintain structured libraries that grow over time without physical clutter. This organization supports long-term learning and makes it easier to revisit important ideas.

Global access is one of the most powerful outcomes of digital books. Readers from different countries and cultural backgrounds can access the same materials simultaneously. This shared access fosters collaboration, dialogue, and mutual understanding. Downloading **Party Games For A Baby Shower** connects individuals to a worldwide learning community.

Digital literacy naturally develops through regular interaction with digital resources. Learning how to evaluate sources, manage files, and use reading tools responsibly is now an essential skill. Engaging with **Party Games For A Baby Shower** in digital format supports these competencies in a practical and accessible way.

Perhaps the most significant change brought by digital access is how it reshapes attitudes toward learning. When information is readily available, curiosity feels encouraged rather than inconvenient. Readers are more willing to explore unfamiliar topics, revisit previous interests, and continue learning throughout their lives.

This mindset supports lifelong learning. Knowledge is no longer confined to formal education or specific career stages. It becomes a continuous process shaped by evolving goals and interests. Having **Party Games For A Baby Shower** available digitally ensures that learning remains adaptable and relevant over time.

In conclusion, the option to download **Party Games For A Baby Shower** reflects a broader shift in how knowledge is accessed and experienced. Digital access combines immediacy, flexibility, affordability, and ethical distribution into a single, powerful tool. Questions & Answers About party games for a baby shower

No	Question	Answer
1	What are some of the most popular and engaging baby shower party games right now?	Some trending games include 'Guess the Baby Food' (blindfolded tasting), 'Diaper Raffle' (guests bring diapers for a prize drawing), 'Baby Shower Bingo' (guests mark off gifts as they're opened), and 'Wishes for Baby' (guests write heartfelt notes). Interactive games like 'Don't Say Baby' (using clothespins) and 'Baby Animal Match' (matching adult animals to their babies) are also big hits.
2	How can I make classic baby shower games feel fresh and modern?	Update classic games with a modern twist! For 'Diaper Duty,' use fun stickers or have guests draw on the diapers with permanent markers. For 'Baby Shower Bingo,' create custom bingo cards with modern baby items or inside jokes. Consider a digital spin with a collaborative playlist for background music or a shared photo booth app for guests to capture memories.
3	What are some 'icebreaker' games perfect for baby showers where guests might not know each other?	For icebreakers, try 'Two Truths and a Lie' with baby-themed statements, 'Baby Photo Match' where guests bring a baby photo of themselves and others guess who's who, or 'Parent-to-Be Trivia' to learn fun facts about the expecting parents. A 'Human Bingo' where guests find others who match certain criteria (e.g., 'has changed a diaper in the last week') is also great for mingling.
4	Are there any baby shower games that are good for both kids and adults attending?	Absolutely! 'Guess the Baby Food' can be fun for all ages. 'Baby Animal Match' is a hit with younger guests, and adults enjoy the challenge too. A 'Decorate a Onesie' station is creative and engaging for everyone, and 'Pin the Pacifier on the Baby' is a simple, classic that kids and adults can play together.

5	What are some fun and low-prep baby shower game ideas for a more casual gathering?	For a casual vibe, 'Wishes for Baby' is easy and meaningful. 'Advice for the Parents' (guests write tips) is also simple and creates a lovely keepsake. A 'Price is Right' game with essential baby items can be fun and doesn't require much setup. Simply having a beautiful display of baby photos of the parents-to-be for guests to guess is also a conversation starter.
6	How can I incorporate the baby's theme into the games?	Seamlessly integrate the theme by renaming games. If it's a woodland theme, call 'Guess the Baby Food' 'Forest Feast Fun.' For a nautical theme, 'Pin the Anchor on the Baby Whale.' Customize bingo cards with theme-related images. You can also have guests create 'future predictions' based on the theme, like 'Will they love sailing?' for a nautical shower.
7	What are some good baby shower games that encourage interaction between guests and the parents-to-be?	Games like 'Baby Shower Mad Libs' where the parents-to-be fill in blanks for hilarious stories, or a 'Parent-to-Be Q&A' where guests ask funny or serious questions and the parents answer, are great. 'Two Truths and a Lie' about the parents' parenting styles or expectations also sparks conversation. A 'Baby Predictions' game where guests guess birth date, weight, and other details also involves the parents in the guessing.
